Are you a Lubbock Master Gardener? Yes/No

Why are you interested in having your garden featured on the Hub City Garden Tour?

Share a little bit about your gardening experience/history:

How would you briefly describe your garden?

(e.g. shady retreat, perennial powerhouse, new gardener experiment, grow to eat, learning laboratory for new and veteran gardeners, flower power...)

What are some features that your garden includes?

(e.g. composting, water collection, hydroponics system, container gardening, raised beds, butterfly garden, orchard, greenhouse, keyhole garden, shade garden, rose beds, potager garden, Texas Superstars, native grasses / plants)

What if any unique/special features does your garden contain?

(e.g. waterfall, koi pond, walking path, butterfly habitat, "bulb" garden...)

How old is your garden/what's its story?

From where do you draw your gardening inspiration?

What gardening challenges have you faced in West Texas?

What is the most successful feature of your garden? What are you most proud of?

What, if any, is your favorite gardening/plant quote?

Lubbock County Master Gardener Association
2025 Hub City Garden Tour

Please complete and return to txmastergardenerlbk@gmail.com. The LMGA Garden Tour Committee will survey all gardens in the spring of 2026 and make final selections.
